Directions to Kipling Law Group

From Downtown Seattle

Via Aurora Avenue

Get on Aurora Avenue (Highway 99) northbound from downtown. Take the first exit after crossing the Aurora Bridge. Turn left at the bottom of the exit onto N 38th St and drive west under Aurora Avenue. Bear right after you emerge from the underpass. This is Fremont Way North. After you pass the blinking yellow emergency signal, move into the left lane and proceed a block to the intersection with Fremont Avenue North, where there is a light. Turn left onto Fremont Ave N and head down the hill. Our building will be on your right, on the northwest corner of Fremont Ave N and N 36th St. Turn right onto N 36th St, and then right again into the alley behind the building. Covered parking is available under the building. Please note your parking space number and we will take care of your parking.

Via Dexter Avenue N or Westlake Avenue N

Head north on either Dexter or Westlake, either of which will take you to the Fremont Bridge. Cross over the Bridge, and make sure you are in the middle lane after you cross. Proceed straight ahead through the first two stop lights, then turn

left at the third stoplight (N 36th St). As you are at the stoplight facing north, our building will be ahead of you and on your left, on the northwest corner of Fremont Ave N and N 36th St. After you turn left onto N 36th, turn right into the alley behind the building (which is about halfway down the block). Covered parking is available under the building. Please note your parking space number and we will take care of your parking.

From I-5 (either northbound or southbound)

Take the NE 45th St/NE 50th St exit and head west on NE 45th St. Stay on NE 45th St through the Wallingford neighborhood (about 1 mile) and follow the main road as it bends slightly to the right (it's called Midvale for this short stretch). After a stop light, the street passes under Aurora Avenue (Highway 99). Be in the right lane. As you emerge from the underpass, the street becomes N 46th St. At the next light, Fremont Ave N, turn left and head down the hill to N 36th St. Our building is on your right, at the northwest corner of Fremont Ave N and N 36th St. Turn right on N 36th St and take the next right into the alley behind the building. Covered parking is available under the building. Please note your parking space number and we will take care of your parking.
